A Message from Principal Yanok

2017, New Year, and new beginnings. New Year resolutions are made as a way for people to change their habits and behaviors. Most often, the resolutions are not kept any longer than the time it takes to make them. At HMS, we are asking all students to make a resolution to be in school, be involved and be a learner. As we enter the last few weeks of the first semester, it is time to knuckle down and make sure all of your work is completed and you study hard for the mid-term tests. There are many winter activities at HMS as well. Basketball games, wrestling matches and practices for other extra-curricular activities are scheduled and everyone is asked to participate and join in.
